

As the melody of Ziro Festival of Music beckons, Alpinist Travel is delighted to unveil our exclusive camping program for the 2024 season. Nestled just a stone's throw from the festival grounds, our private campsite is your gateway to an immersive experience in the heart of Arunachal's enchanting landscapes.

We take this opportunity to invite you to this year's edition of our campsite during the Ziro Festival of Music. Four days of camping while attending India's greatest outdoor music festival is an experience in itself.

Surrounded by the misty mountains in company of friends and a motley of music aficionados makes camping so special at Ziro Festival.

Our Camp site is located at a distance of 2.5 km/ 15 minutes from the festival venue in the midst of lush green pine groves.

Accessibility: Ziro Valley is located at a distance of around 450 Km from Guwahati and 115 Km from Itanagar. The nearest Airport is Donyi Polo Airport, also known as Hollongi Airport which is around 133 km from Ziro Valley (around 3.5 hours drive). The major Airport is Guwahati (GAU), which is well-connected with all the major cities of India.

The nearest railhead is Naharlagun (Doni Polo Express is advisable), shared cabs are also available from Hollongi Airport and Naharlagun railway station. During the festival, it is difficult to get a shared vehicle without advance booking.

Ziro is also well-connected from Guwahati by road with regular buses (preferably overnight bus) to Lakhimpur (357 Kms) from where vehicles on sharing basis to your final destination are available. Ziro's main town Hapoli to the festival ground is around 05km.

You can also hire a private vehicle from Guwahati or Itanagar for the entire session which is most convenient during your stay at Ziro valley (finding a local vehicle within Ziro is very hard).
